

Addendum #1 - Request for Qualifications - Pool Lease FY24

Question- Clarification on Language p.5

Can you clarify something in the RFP for us? Will custodial fees be covered in the Flat Rate Fee that we submit on the Price Proposal? The second paragraph in the "Background Information" section on Page 5 of the RFP makes this a little confusing.

Answer- Clarification on Language p.5

Yes, custodial fees should be calculated and added to your flat rate fee submitted on the price proposal. Please use the 45 dollar per hour rate when calculating these costs.
